## Excepción de Responsabilidad

Med Plan, en consideración al pago de su membresía, está de acuerdo en ofrecerle el acceso a la red de proveedores establecida que prestan sus servicios a nuestros miembros. Med Plan coordinará su primera cita con el proveedor que usted elija dentro del directorio si usted lo desea. Med Plan no asigna a ningún proveedor. Es responsabilidad del miembro elegir el médico que le prestará los servicios. Med Plan no ofrece los servicios médicos directamente, sino a través de proveedores independientes que proveen estos servicios y sus suplementos. Los proveedores que aparecen en este directorio no son empleados o agentes de Med Plan. Los empleados o agentes de Med Plan no deben ser responsables legalmente por alguna negligencia o acto de omisión cometida en cualquier momento por algún proveedor que aparezca en este directorio. Med Plan específicamente no se responsabiliza en ningún momento y no tiene ninguna relación de agencia con ningún proveedor médico. Med Plan no ejerce ningún control o dirección respecto a un criterio médico o decisión clínica de algún proveedor del directorio ni interfiere en la relación entre el paciente y su médico. Es importante que al convertirse en miembro de Med Plan, la persona sepa que no se le garantiza la continua participación de un doctor, hospital, u otro proveedor. Este directorio está vigente desde el día en que fue publicado. Es muy posible que a partir de ese día se hayan agregado o eliminado de la lista algunos proveedores. Para obtener una información actualizada de los proveedores en su área, visítenos en [www.floridamedplan.com/provider.cfm](http://www.floridamedplan.com/provider.cfm) o llame a nuestro Departamento de Servicio al Cliente, al **(305) 857-4395 de lunes a viernes, de 8:30 am a 5:00 pm**. El hecho de que un proveedor se encuentre en la lista no garantiza que todavía se encuentre en la red o que participe consultando nuevos pacientes. Los proveedores listados en este directorio han acordado en proveerles a los miembros de Med Plan sus servicios de cuidado a su salud con una tarifa fija que representa un Ahorro sobre la tarifa regular. Usted puede ir a cualquiera de nuestros proveedores en este directorio y no necesita ser referido por el médico primario que le atiende para visitar a un especialista dentro de la red, pero los servicios, de exámenes de laboratorio, radiología o diagnóstico sí requieren de una orden por parte del doctor para completar estos procedimientos. Si usted ha ido a uno de nuestros proveedores y no se siente satisfecho con sus servicios, usted no está en la obligación de seguir visitándolo. Los miembros están limitados a los proveedores que están afiliados a la red de Med Plan. Los proveedores participantes en este directorio o en [www.floridamedplan.com](http://www.floridamedplan.com) no son agentes, empleados o socios de Med Plan, ni ninguno de sus subsidios. Med Plan no es un proveedor de servicios médicos, ni tampoco un plan de seguros médicos ni un HMO. Med Plan no apoya los diagnósticos ni los tratamientos médicos dados por los proveedores participantes en la red de Med Plan listados en este directorio, ni en [www.floridamedplan.com](http://www.floridamedplan.com), ni los proveedores escogidos por nuestros miembros.

You have the right to get full information from your providers when you go for medical care. You have the right to participate fully in decisions about your healthcare. You have the right to refuse care.

Med Plan does not limit its members from visiting any provider contracted by Med Plan. You can visit any provider or service without any limitation or need for referral. Other services such as Dental and Optical can be accessed directly by the member at any time without providing notification to your PCP.

The provider directory is constantly changing and is therefore subject to change without notice. The Provider Book is updated periodically and the link is sent via text message or email.

Los descuentos y las tarifas de servicio están sujetas a cambios sin previo aviso.

## Urgent Care Centers vs Emergency Care

If you or a family member is experiencing life-threatening illness or injury-such as major head trauma, chest pain, severe abdominal pain, or loss of consciousness – you should go directly to an Emergency Room (ER). See the list below for guidance on which situations require ER treatment.

- Falls from greater than 7 feet
- Loss of consciousness

## ¿Cómo Funciona la negociación de facturas?

### ¿Cuándo la uso?

Tener recursos y herramientas de atención médica gratuitos es excelente, pero no ayudan mucho si no sabe cómo usarlos. Las preguntas frecuentes a continuación deberían responder a sus preguntas sobre la negociación de facturas, pero si no es así, estaremos encantados de hablar con usted. Simplemente contáctenos al 800-791-3365.

#### Entonces, ¿qué es la negociación de facturas?

Es un servicio gratuito que ofrece su plan de atención médica a través de Point Health (que somos nosotros) para ayudarlo a reducir sus gastos médicos de bolsillo.

#### ¿Cuándo debo utilizar la negociación de facturas?

Cuando tiene una factura médica que le gustaría que fuera asequible (que es la mayoría de las facturas médicas, porque seamos honestos, ¿quién no quiere una factura asequible?) Idealmente, debería utilizar este servicio antes de pagar la factura.

#### ¿Pueden ayudarme con cualquier tipo de factura?

Mientras Point Health puede ayudar a negociar la mayoría de las facturas, existen algunas exclusiones. Para ser elegible para la negociación, el total de facturas para un solo evento deberá ser igual o superior a un monto en dólares establecido por su plan. Comuníquese con nuestro equipo para analizar cómo podemos ayudarlo.

#### ¿Qué tengo que hacer para usar la negociación de facturas?

Simplemente llámenos con la información de su factura médica y lo tomaremos desde allí. Es posible que tengamos preguntas de seguimiento para usted a medida que analizamos diferentes formas de reducir su factura, pero en su mayor parte, simplemente siéntese y relájese mientras negociamos la factura en su nombre.

#### ¿Cómo me comunico con usted para reducir mi factura médica?

Simplemente llame a nuestros representantes de negociación de facturas médicas al 800-791-3365 o comuníquese con nuestro formulario de solicitud de servicio para miembros en [www.pointhealth.com/member-support](http://www.pointhealth.com/member-support) y comenzaremos.

#### ¿Es realmente gratis?

¡Sí! Lo único que paga es la factura médica.

#### ¿Pueden ayudarme a encontrar una forma asequible de obtener

un procedimiento o servicio médico que he pospuesto porque me preocupa el costo?

¡Absolutamente! Si su plan también ofrece navegación de Point Health, nuestros navegadores de atención médica lo ayudarán con eso.

## How does Bill negotiation work?

### When do I use it?

Free healthcare resources and tools are great, but they don't help much if you don't know how to use them. The FAQs below should answer your invoice negotiation questions, but if not, we'd be happy to talk to you. Just contact us at 800-791-3365.

#### So what is invoice negotiation?

It's a free service offered by your health plan through Point Health (which is us) to help you lower your out-of-pocket medical costs.

#### When should I use invoice negotiation?

When you have a medical bill that you'd like to keep affordable (which most medical bills are, because let's be honest, who doesn't want an affordable bill?) Ideally, you should use this service before you pay the bill.

#### Can you help me with any type of invoice?

While Point Health can help negotiate most bills, there are some exclusions. To be eligible for negotiation, the total invoices for a single event must equal or exceed an amount in dollars established by your plan. Contact our team to discuss how we can help you.

#### What do I have to do to use invoice negotiation?

Just give us a call with your medical bill information and we'll take it from there. We may have follow-up questions for you as we explore different ways to lower your bill, but for the most part, just sit back and relax while we negotiate the bill on your behalf.

#### How do I contact you to reduce my medical bill?

Just call our medical bill negotiation representatives at 800-791-3365 or contact our request form member service at [www.pointhealth.com/member-support](http://www.pointhealth.com/member-support) and we'll get started.

#### Is it really free?

Yeah! The only thing you pay is the medical bill.

#### Can you help me find an affordable way to get a medical procedure or service that I have put off because I am concerned about the cost?

Absolutely! If your plan also offers Point Health navigation, our healthcare navigators will help you with that.
